**EXTRA LETTERS** Table "A" Single Characters  
**Figures, leaders, fractions, ornaments, auxiliary characters, braces, borders, accented letters, and checking squares may also be purchased at the prices below or by the six-inch line (Table "B") of not more than one character per line.**

All characters are sold separately—all one letter or associated letters in any one size and style of type, as specified. These prices apply only to characters available from stock, and not requiring special casting. If not so available, we will hold up the order and notify you. "Table B" prices used on characters which require special casting.

By "letter" we mean one letter in the alphabet, or one figure, or one punctuation mark, checking square, or any other character.

For type faces with no lower case (example: Corp. Gothic) add .05 per letter.

### Table "B" Quantity Prices

Prices below is for one six-inch line of one character. You can order a line each of several different characters in any one size and size of type, retain the quantity price, except—**Kern**, **Script** and **Specimen** Script, prices on them as requested. Type sold this way is not special—the machine must be set up for it—and is subject to some delay. For less type, use table "A" prices.
